

## 16 Hour Outdoor First Aid Course (including paediatric first aid)

### What:

The Wiltshire Outdoor Learning Team has a reputation of delivering the most dynamic 'outdoor' first aid course in the County— especially suitable for people who work outside of the classroom with adults and children. The course is delivered by staff who regularly work with groups 'outside' – ranging from Forest School activities to watersports to rock climbing.

The venue includes over 80 acres of woodland, with a lake – allowing for lots of potential FIRST AID scenarios! The course will provide plenty of opportunity to explore the practical use first aid in various outdoor situations.

**This is a hands-on course - designed to cement learning and develop confidence.**

*This course follows the new IOL guidelines and is based on the IOL Level 3 course – for those working up to 2 hours away from immediate help*

### Where:

Brokerswood Country Park, Westbury, BA13 4EH

**When:** Thursday 7 – Friday 8 December 2017

0900 – 1700 (plus homework!)

### Cost:

£140 per person (discount to £115 for D of E leaders or IOL members) – **this includes lunch on both days**

### Can we camp overnight?

Yes indeed. You will need to book this separately through Brokerswood Country Park by calling 01373 822238.

### To Book:

Complete and return the attached form.
